

Dear Fellow Extraordinary Ministers of Holy Communion:

Happy Summer!!

Thank you to all who attended Fr. Bob Webster's Workshop on the New Roman Missal. If your mandate has expired or will expire this year it has been fulfilled if you signed in.

I sent out a list of people whose mandates have expired or will expire if you did not receive this list look on the bulletin board in the Altar Servers Room.

Please let us know your summer schedule. If you are going on summer vacation and will be gone over a week-end or more let us know so we do not schedule you and will not have to find a replacement at the last minute.

Always come prepared to serve. Check in with the T-1 to see if they need you to serve. Be sure you are properly dressed, no **capris, women preferably wear dresses, skirts, suits or dress slacks.**

Also when the Deacon or Priest hands you the Chalice, take it from him, walk over to where the chalice people stand and consume the most precious blood there. **Do not consume the most precious blood while walking to your position on the altar. Also if you have the most precious blood left in the chalice do not consume it until you are at the credence table**

Also the food pantry is in desperate need of food. Please donate especially vegetable, spaghetti sauce, pasta, jelly, rice and cereal. Thank you for your donation to this very important ministry.

God Bless,

Dixie Corrigan

Jim Veclotch
